### About PHMR

Established in 2007, we are a rapidly growing and energetic consultancy – a diverse group of professional scientists, health economists and industry specialists with a proven track record in providing global market access solutions to some of the biggest healthcare industries so that patients get access to medicines. Patients get access to medicines as a result of our work. Our science is internationally renowned, and we are proud of our work.

- We apply robust scientific approaches and methodologies. Quality science comes first.
- We combine the expertise of our team together with a worldwide professional network.
- We continuously learn and improve.
- 90% of our projects are repeat or referral from our existing customers.
- The majority of our team are educated to PhD level.
- We embrace diversity in all its forms.

We also love being part of an engaging, supportive team that combines having fun with striving for high quality science. Our leadership team is always approachable, and we find it easy to work with each other. The variety of our work is both challenging and exciting and helps us achieve our research and career ambitions. PHMR provides flexibility and individual support in order to help make our lives more balanced and enjoyable. We love being part of PHMR.

**Purpose of the role:** to support a range of health economics projects

### Requirements / performance dimensions:

#### *Functional technical expertise*

- Higher degree (PhD or MSc) in health economics or related discipline
- Good knowledge of health economic methodologies (e.g. economic modelling, analysis of real-world economic evidence, utility measurement, costing studies)
- An understanding of HTA methodologies and processes
- An understanding of the global payer environment including coverage, reimbursement and pricing
- Project management skills
- Ability to clearly communicate technical issues
- Excellent quantitative skills, including econometrics
- Good knowledge of statistical software packages (e.g. STATA, R)
- Fluency in English
- Excellent MS Word, Outlook, PowerPoint and Excel skills

#### *Alignment to PHMR values*

<b>Integrity:</b>	we do the right thing
<b>Quality focus:</b>	we continually pursue excellence
<b>Ambitious:</b>	we are tenacious and sustainable
<b>Collegiate:</b>	we support and learn from each other
<b>Fun:</b>	we enjoy our work

#### *Strategic input*

#### *Client focus*

#### *Communication skills*

#### *Non-project contribution*

#### *Great to work with*

#### *Autonomy*

#### *Line management (not applicable)*

**PHMR offer:**

- Flexibility and individual support for more balanced and enjoyable life;
- Fantastic opportunities for professional development, working along industry experts;
- Tight-knit, collegiate office environment and of course, snacks.

To apply for this position please submit your CV and covering letter explaining why you think you would be suited to the role and reasons for wishing to join our team to [info@phmr.com](mailto:info@phmr.com).

Candidates wishing to discuss the position, please call +44 (0) 203 695 5801 for an informal chat with Dr Koonal Shah (Director, Health Economics). *No agencies please.*

All candidates are eligible to apply for our roles and will be considered on suitability and merit throughout the recruitment process. However, at the time of starting their employment the successful candidate must have permission to work in the United Kingdom.
